AUGUST 2026

Join us Sunday August 2nd for a presentation by LSF's Viki Henricksen

LOGICAL POSITIVISM AND TRANS IDEOLOGY

Viki Henricksen, a member of Lake Superior Freethinkers, will present some landmarks on the history and understanding of trans sexuality.

VIKI HENRICKSEN

Three years ago, the granddaughter of a friend had identified as Trans and wanted medical treatment. The military family was worried that she might not be able to get it. I suggested going to Sweden, but at home when I looked up Sweden and Trans, I found a Swedish 4 part documentary, "The Trans Train" that took a critical view.

Naively I thought that they would watch the documentary and reconsider. But no. Their minds were made up. I'm guessing that they did not watch the documentary.

The friendship suffered and ended.

Join your fellow Freethinkers after our August Sunday meeting for brunch at Pizza Lucé, 11 East Superior Street.
